

Coronavirus policy as at 17<sup>th</sup> March 2020

Given the latest developments and announcements from the UK government, we have reviewed our risk assessments and our updated policy is as follows:

1. We have hand sanitiser, soap and paper towels at all our till points and credit card terminals
2. All surfaces are regularly cleaned with industrial sanitiser
3. Spacing out of reservations so tables are 2 metres apart wherever possible
4. Having a dedicated hand wash station at the building entrance
5. Tissues and waste bins readily available
6. Cancelling any planned regular activities with large groups- quiz night, gin tasting, children's activities are all postponed until further notice.

We thank you for your understanding during this most difficult time.
